

## Application for the CREST Mangrove Field and Lab Experience

We are looking for graduate students to participate during the summer field and lab experience for undergraduates from June 4<sup>th</sup>, 2017 to June 17<sup>th</sup>, 2017 in Puerto Rico and from June 26<sup>th</sup> to July 28<sup>th</sup>, 2017 in Miami. We cover techniques to estimate above and belowground carbon stocks in mangrove habitats in a variety of physiographic settings. There are opportunities to assist in the collection and processing of sediment cores and sampling vegetation composition and structure, as well as mentoring undergraduate students on a project of their choosing. Please answer the following questions indicating your availability and interests in the project. Please indicate that you have discussed your involvement with your major advisor and that they are aware of your commitment. Please submit your completed form to [crestcache@fiu.edu](mailto:crestcache@fiu.edu) by April 24<sup>th</sup>. You will be notified by May 7<sup>th</sup>.

Name: \_\_\_\_\_ PID: \_\_\_\_\_

Major Advisor: \_\_\_\_\_ I have discussed with my advisor

Are you available for the entirety of the trip in Puerto Rico? If not, please indicate dates which you available? \_\_\_\_\_

Will you be attending the Society for Wetlands Scientist Meeting in San Juan (June 6-8)? If yes, indicate whether or not you are presenting \_\_\_\_\_

Are you willing to assist in logistics, field, and lab work during the 2 weeks in Puerto Rico? \_\_\_\_\_

Are you interested in mentoring an undergraduate in south Florida or having them assist with your research? \_\_\_\_\_

Would you be willing to assist with logistics in south Florida? \_\_\_\_\_

Would you be available for a weekly meeting /discussion with undergraduates in the program? \_\_\_\_\_

Please indicate whether there is a research project you would like to conduct either in Puerto Rico or south Florida in which undergraduate students could assist you. Briefly describe this research:
